

Message from Mrs Daniels:

This week in school has given us an opportunity to recognise the positive and powerful role which sport and physical activity can play in communities and in people's lives across the world. I have spoken to many Year 6 children this week about how they can take part in a whole new range of sports next year when they move to secondary school. We were very proud of the way they took on the responsibility of helping to run our two sports mornings this week. They will make brilliant sports leaders as they move on to their new schools.

It was wonderful to see so many families joining us in the sun on the school field to enjoy the sports activities. The children absolutely loved it and thank you too for all the positive comments from parents and grandparents. Our aim was for the children to experience an event which was fun, competitive and inclusive for all children. In assembly this morning we announced that the winning house was Team Rashford but the points score was very close. The trophy was collected by Ollie and Isabel, our Rashford Sports Captains. The Olympic values of courage, respect, inspiration, friendship determination, equality and excellence were reflected in all of the certificates which were given out in assembly today.

Another thank you to those of you who came along to support our Book Fair in school this week. Thank you to Mrs Barbour and Mrs Brown who organised this. We sold a huge number of books and so we will look forward to choosing some books for the school library from the vouchers given to us by the book company.

Thank you to those of you who signed up to help the PTA in their preparations for the film screening of 'Wonka' on Saturday 6th July. If you can spare just half an hour of your time, any help would be very much appreciated.

We have been in touch again with the Highways Agency to discuss the repainting of the yellow lines on the road outside school. Until this happens please can we remind you to **park in one of the 3 designated car parks in the village** and avoid parking in the area between the church and the bus stop.

Have an enjoyable weekend.

Jo Daniels,

Acting Head Teacher

Half Term: Monday 26th May to Friday 30th May

Tuesday 2nd June to Wednesday 23rd July

Summer Holiday: Thursday 24th July onwards

Notice Board

School uniform

Please, please ensure that your child's belongings (uniform, bags, water bottle etc) are all labelled with your child's name. We have a number of jumpers and other items which have been misplaced by their owners which we can't return as they don't have the child's name inside, or have the name of a 'previous owner'.

Playground

Parents are asked to ensure that their children, whether those who attend school or younger siblings, do not play in the gazebo or on the play structure at school pick up time. This is to ensure everyone's safety and prevent any damage to these valuable structures. Please ensure that once on the school premises, bikes and scooters are walked, not ridden.

Home Time Arrangements

Please ensure that you advise the office by email on office@steeplemorden.cambs.sch.uk by **12 noon** if your child's home time arrangement will be different from usual.

Please also remember that if your child is being collected with another child to let us know; we've had a number of occasions when the office has had to make a last-minute phone call at the end of the day.

Notice Board

Illness in School

If your child is absent from school, you must notify school by 9.30am of the reason for absence. If we haven't heard from you, we are obliged to investigate your child's absence.

Condition	Absent for
Chickenpox	Five days from the onset of rash and all the lesions have crusted over
Impetigo	Until lesions are crusted/healed or 48 hours after starting antibiotic treatment
Measles	4 days from onset of rash and once# recovered
Scarlet Fever	Exclude until 24 hours of appropriate antibiotic treatment completed
*Sickness and/or diar-	Until 48 hours after last episode of sick-ness/diarrhoea
Conjunctivitis	None
**Headlice	None
Mumps	5 days after onset of swelling
Tonsillitis	None

Please see (left) a basic summary showing recommended times for children to be away from school when suffering from childhood diseases. A comprehensive list is available at https://www.publichealth.hscni.net/sites/default/files/Guidance_on_infection_control_in%20schools_poster.pdf

* For sickness and/or diarrhea it is essential to keep your child away from school **until 48 hours after the last episode of diarrhoea/vomiting**. These sorts of bugs can be transmitted very easily, particularly in school settings. We do encourage lots of hand-washing in school and would ask you to follow this at home, as well. Please remember if your child is unwell they will be much more comfortable at home with a parent or carer who can look after them much more closely than we can in school.

**For advice on dealing with headlice please see <https://www.nhs.uk/conditions/head-lice-and-nits/>

Notice Board

Covid-19 - Current advice is that this should be treated as any other respiratory infection. The following is from [People with symptoms of a respiratory infection including COVID-19 - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/people-with-symptoms-of-a-respiratory-infection-including-covid-19)

Symptoms of respiratory infections, including COVID-19

Respiratory infections can spread easily between people. It is important to be aware of symptoms so you can take action to reduce the risk of spreading your infection to other people.

The symptoms of COVID-19 and other respiratory infections are very similar. It is not possible to tell if you have COVID-19, flu or another respiratory infection based on symptoms alone. Most people with COVID-19 and other respiratory infections will have a relatively mild illness, especially if they have been vaccinated.

If you have symptoms of a respiratory infection, such as COVID-19, and you have a high temperature or you do not feel well enough to go to work or carry out normal activities, you are advised to try to stay at home and avoid contact with other people.

Symptoms of COVID-19, flu and common respiratory infections include:

- continuous cough
- high temperature, fever or chills
- loss of, or change in, your normal sense of taste or smell
- shortness of breath
- unexplained tiredness, lack of energy
- muscle aches or pains that are not due to exercise
- not wanting to eat or not feeling hungry
- headache that is unusual or longer lasting than usual
- sore throat, stuffy or runny nose
- diarrhoea, feeling sick or being sick

Summer Holiday Scheme Places

for free

Would your child like to attend a fully funded holiday scheme this Summer where fun experiences, a meal and snacks are included?

Children in receipt of benefit-related free school meals are eligible to attend a participating holiday scheme for up to 64 hours.

CAMBRIDGESHIRE
HOLIDAY ACTIVITIES & FOOD PROGRAMME

Cambridgeshire County Council

News from Starling Class (Reception)

We've had a fun week in the sun! The children were fantastic at Sports Day. We are very proud of their resilience and bravery as well as their sportsmanship.

We have begun our new theme of 'Under the Sea'. We started by looking at the text 'Commotion in the Ocean' by Giles Andreae. We identified the rhyming words and came up with our own. We are going to continue using this text next week.

In Maths, we have been sorting. The children are really good at thinking about different ways we could sort by either colour, size etc.

In Phonics we continued our Phase 5 learning which included new sounds. The sounds we learnt this week were: wh, ph, ew, oe. These graphemes have been sent home for you to practise at home with your children.

We have been talking about our body parts and which parts other people see. The children have seen the 'Pantasaurus' and we have reminded the children that "what's in your pants belongs only to you" and if "someone asks to see, you tell them no". If you want to re-watch at home with your child, it is readily available online.

News from Starling Class (Reception)

We continued our 'word collecting' work this week with the words below to build on our ambitious vocabulary:-

Word	Meaning
Immerse	To plunge or dip into water
Vain	Being overly proud of your appearance or achievements
Hesitant	When you are unsure about something
Exclaim	To cry out or speak suddenly
Tropical	When the weather is hot and humid.

As it is getting hotter, please ensure you send your child to school wearing sun cream and with a sunhat. We also need raincoats as the British weather is so unpredictable!

Have a great weekend.

The Reception Team

News from Robin Class (Year 1)

What a sporty week we have had in Robin Class. If you were able to come along to Sports Morning on Wednesday we hope you enjoyed watching and supporting your children and the whole Key Stage – your presence really does make a difference to the atmosphere. If you were unable to be there at the time, please be assured we understand about other commitments, and know that your child was cheered along just like everyone else! All the children showed the Olympic sporting values of Respect,

Excellence and Friendship, encouraging one another praising others when they had done well, and performing in their races to the best of their ability – that's all we ever ask!

We have enjoyed having Mrs K Brown with us on Monday and Friday mornings, as well as Mrs Harwood on Tuesday-Thursday mornings in class since Mrs Carter left at half term. They have been working with your children in a variety of ways, mostly with Phonics and Maths as they are with us for mornings, but also hearing some readers and being general superstars!

This week in Art we have reflected on last week's lesson and been able to get out to

collect natural objects ready to create our own sculptures in next week's lesson.

We have started to look at money this week in Maths. Next week, we will be using our knowledge to investigate making amounts and some of us will be trying to make totals using the smallest number of coins. Please do look at the money you have in your purse or wallet this weekend. We are very aware that children don't see cash as much as they need to in order to appreciate its value. If you can

talk with your child about the different coins we have in our monetary

system and talk about the value of each coin with them, that would be amazing!

News from Robin Class (Year 1)

Next week, the children will be writing their own version of Jim and the Beanstalk – we are all looking forward to seeing their amazing writing and hearing their wonderful ideas!

Thank you again to those of you really working with your child to encourage their reading skills – we're continuing to notice these practised skills and appreciate the time you are giving to do this.

Have a lovely, sunny weekend,

The Year 1 Team

SUNDOWN CINEMA

Bring your chairs, blankets, beanbags, and join us on the school field for a relaxed evening of family entertainment.

This event will go ahead in all weather so please dress appropriately for the forecast. As this event is a fundraiser for the school, if we do have to cancel we will consider the ticket price a donation. Refunds will be issued upon request.

News from Owl Class (Year 2)

Firstly, thank you to all the parents, carers and grandparents that came to support the children on Wednesday for sports morning. The children had a fantastic time and were very proud of their individual and house achievements. The Year 2 teaching team were looking out for 4 characteristics of good Olympians and were delighted to see so many Year 2 children being courageous, inspiring each other, respecting all participants and being determined to be the best they can be.

In English this week Year 2 have worked hard to plan the middle element of their narrative text. We added time connectives and descriptive language to our plans as reminders and everyone is now keen to get writing their story next week. At home, ask your child to draw some of their characters and share the story with you. During our guided reading sessions we have been encouraging all the children to think about what they are reading and answer questions about the text, make plausible predictions and retell the story in their own words. Please encourage these skills when home reading.

We were pleased to hear that some of the children enjoyed the mathletic challenges set this week. We will set more before the weekend. If you need a password reminder please just email in. We are now moving onto our statistics block of learning and will be encouraging the children to record data on tally charts, block diagrams and pictograms. To support your child with this at home you could record the family member's hair or eye colour, favourite food or even favourite TV shows.

In other news we will be starting our DT project and creating under the sea 3D scenes and would appreciate if any families could send in a box for their child to work in. Either a shoe-box or cereal box will suit, if you have more than one spare we would really appreciate the extra. Please do not worry about naming the boxes because the children need to plan the scene and then we hand out the box based on scene sizes. We thank you in advance for any help with this.

We hope you all have a lovely weekend and enjoy the sunshine,

Take care,

The Year 2 Team

PTA UPDATE

Sports Day:

We were really pleased to be able to provide ice lollies for all the children after their hard work at sports day.

Class reps:

If you are in one of the class WhatsApp groups then your class rep will have introduced themselves and started sharing key messages with you. They are a vital link so we can get messages to you and receive feedback from you. A big thanks to them for offering their time, it is much appreciated.

Our volunteer reps are:

Reception: Erica

Yr 1: Kayleigh

Yr 2: Jude

Yr 3: Kayleigh

Yr 4: Lis

Yr 5: Hayley

Yr 6: Hayley

Wonka Event:

There is lots of hard work going on behind the scenes to make this community event a success. So how can you help?

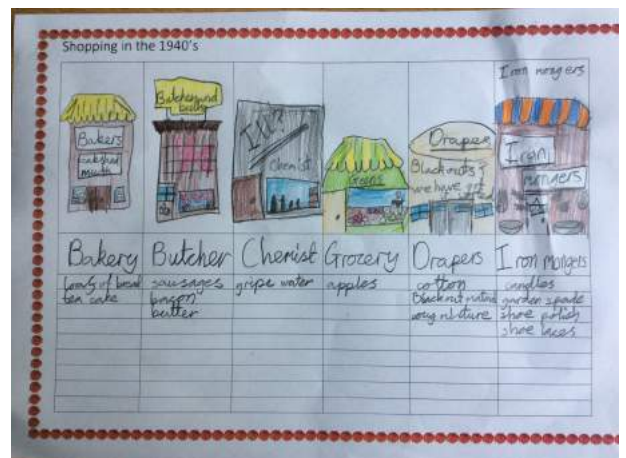

1. Buy your tickets.
2. Please share the poster with friends and family beyond the school community so as many people as possible get to join us for a relaxed evening.
3. Commit half an hour of your time to help us on the entrance gate, bar or popcorn stall. Please let your class rep know if you can do this or pop into the school office and add your name to the sheet. We really value your support.

News from Peacock Class (Year 3)

In English, we have continued working on our diary writing. This week we have changed our notes into passages of writing, remembered to write in the first person, use the past tense, emotive language, time adverbials and kept our diaries informal. You will be able to read our work when you come for coffee on the 9th July.

In Maths, we concluded our work on time by adding and subtracting times, in order to solve real life problems, as well as telling time to the minute in order to work out durations of time. Duration of time is the area that most children felt they needed more support with. If you get chance, please ask how long something will take, how do you know and how can you work it out?

In other work, we have thought about the changes in shopping between the 1940s and now. We were quite surprised at all the different types of shops and some of the funny names they had, 'ironmongers' and 'drapers' seemed the most amusing!

We also thought about rationing and decided some of us would have been very hungry, as we did not fancy many of the governments suggested meals that could be made from the limited food supplies. Would you fancy curried carrots or trench stew? (We checked this didn't have rat meat! Basically it was anything you could find to put into one pot and then give it that name. To be honest that sums up most of my cooking anyway!)

To follow the then government campaign for 'dig for victory' we planned our own dig for victory gardens, mapping out areas for the vegetables we would like to grow.

We also officially opened our own victory garden at the front of school.

News from Peacock Class (Year 3)

Wishing you an enjoyable weekend.

The Year Three Team

Dates

Yr 3 Coffee Morning 9.7.24 9-10am

Fundraising for Arthur Rank Hospice

News from Swift Class (Year 4)

We have been developing our understanding of proportion through studying the work of Lynette Yiadom-Boakye's paintings of figures. We are changing the colour of the paint that comes from the tube to create a more muted colour palette.

In our maths lessons we have been identifying different angles: acute, right, obtuse, reflex, interior and exterior. We have identified these in real objects around the school and within shapes – is your child able to do this with objects at home?

Well done to everyone for their sports day performances and for supporting and encouraging all of the children in their events.

In our PSHE lessons we have been looking at the feelings we may experience associated with change, the ways we can manage change in our lives and the opportunities this can bring.

Next week a group of children are looking forward to playing some other schools in a cricket competition and they have been working hard on their bowling accuracy during some lunch breaks.

The Year 4 Team

Reporting Your Child's Absence

If your child is absent from school, you **MUST** notify school **EACH DAY** that they are absent by 9.30am and provide the reason for absence.

You can notify us in the following ways:

- Email us on office@steeplemorden.cambs.sch.uk
- Telephone us on 01763 852474
- Leave a Voicemail on the telephone number above
- Tell us in person via our front desk

If we haven't heard from you each day that they are absent, we are obliged to investigate your child's absence.

Keeping Children Safe in the Sun!

As the weather gets a little warmer over the course of this term, please can we remind you to make sure that your child has a named sunhat/cap and a water bottle in school each day and has had sun-cream applied in the morning. Sunglasses are not required so please do not send these into school unless these are required for a medical reason that we are already aware of. At the moment we are more in need of sweatshirts and coats but the sun might appear at some point over the next few weeks!

News from Heron Class (Year 5)

Thank you to everyone who was able to come into school and support us for our Sports Day on Thursday morning. At last, the sun came out and we all enjoyed cheering one another on and spending time together outside of the classroom. Well done to all of those competitors who excelled in their events and also congratulations to everyone who took part even though it is not their favourite day of the year! We are proud of you all.

In Maths this week, we have continued with our work on co-ordinates, plotting shapes and solving problems. We have also begun to translate shapes, once again using co-ordinates.

In English, we have begun to write our explanation texts. We are explaining the development of African-American music from 1890 to 1990; this work is linked to our Geography topic this term - North America. We have listened to various musical extracts from all four musical genres and thought about how the music makes us feel, the instruments that have been used to create the sound and what socio-political issues the music was reflecting in North America at that time. As ever, your children have handled discussion of these big issues with maturity and curiosity and are producing interesting pieces of writing as a result.

Finally, in P.S.H.E. this week we have begun to explore our body's physical 'Early Warning Systems', the ways that our bodies communicate to us that they do not feel safe in a particular circumstance or environment. Our aim is to be able to articulate what these warning signs are for each of us individually and then to think about places that we do and do not feel safe across a range of environments.

If you have not yet seen the document that came home with your child this week about Bikeability please do have a rummage in their bag for it. Our Bikeability course starts on Monday 1st July and lasts until Thursday 4th July inclusive. Your child will need their bike, in a roadworthy condition, in school every day during this period and they **must** bring and wear a helmet to take part in the course. No one who attends without a helmet will be allowed to take part. For further details please have a look at the document that was sent home. Any children who travel to school on the bus will be welcome to leave their bike in school overnight from Monday to Thursday.

Have a wonderful weekend.

The Year 5 Team

News from Puffin Class (Year 6)

We have started to rehearse for our production, this week, and, over the next couple of weeks, we will be designing, singing, acting, dancing, making, building, drawing, painting and writing in preparation for the two performances in the last full week of term (10th July – 2.00 pm and 11^h July – 6.00pm).

Homework will be linked to the production – please learn the song words and the spoken words for their character. Thank you.

As well as rehearsing for the production, the students have continued with Art, Science, RE, Geography, PSHE and some investigative problems for Maths lessons.

This week, as you know, was the KS2 Sports Day. It was a great success and it was great to see the determination and sportsmanship of the children as they competed. The children also helped in the running of the events in both Sports Days for Key Stage 1 on Wednesday and Key Stage 2 on Thursday. They were a wonderful help and seemed to thrive on taking the responsibility for doing so – which bodes well as they enter Key Stage 3.

Thank you for your continued support.

The Year 6 Team

LEAVERS HOODIES—2nd PRINT RUN

Date live online : Monday 17th June

Deadline to order: Monday 24th June

Delivery to school : Week Commencing 8th July

Cleaners / Home Helpers needed now in Royston

£11.10 per hour PLUS holiday pay

Work involves cleaning, shopping and other domestic duties such as changing bed linen and laundry. You always see the same regular clients, helping them to stay independent and living in their own home.

- | We're really flexible, work at times to suit your day
